PROFILE

Full Stack Developer experienced in the MERN stack, Next.js, Flutter, and AI automation. Skilled in building and managing scalable web and mobile applications, CRM systems, and backend integrations using Supabase and Claude-powered automations, with a strong focus on product improvement, system integration, and business process optimization.

EXPERIENCE

- | | |
|---|---|
| Miana
<i>Full Stack Web & Mobile Developer (Part-Time)</i> | Jan 2026 – Present
<i>Remote, US</i> |
| <ul style="list-style-type: none">Managing and maintaining a Next.js-based Real Estate CRM, adding new features, AI automations, and improvements to enhance functionality and user experience.Developed a Flutter-based restaurant delivery application end-to-end with API integration and a responsive UI.Building full-stack applications with React, Next.js, Node.js, Express, and MongoDB, while managing Git workflows and deployments. | |
| ODL
<i>MERN Stack Development Intern</i> | Jun 2025 – Sep 2025
<i>Islamabad, Pakistan</i> |
| <ul style="list-style-type: none">Developed full-stack web applications using the MERN stack with clean architecture principles.Built backend APIs, authentication systems, and dynamic frontend components. | |
| Mark Mates
<i>Project Management Intern</i> | Jan 2025 – May 2025
<i>Islamabad, Pakistan</i> |
| <ul style="list-style-type: none">Managed projects using ClickUp, Jira, Slack, and other productivity tools.Improved team workflows through automation tools such as Make.com and Zapier. | |

PROJECTS

- | | |
|--|---|
| WorkFusion <i>AI-Powered Hybrid Employment Marketplace (FYP)</i> | <i>Next.js, Express, MongoDB, FastAPI</i> |
| <ul style="list-style-type: none">Built a full-stack AI-powered marketplace connecting employers and job seekers using Next.js, Express.js, MongoDB Atlas, and FastAPI.Developed a Retrieval-Augmented Generation (RAG) system for intelligent job/candidate matching using vector embeddings, semantic search, and similarity-based retrieval.Implemented secure hiring workflows with JWT authentication, role-based access control (RBAC), and profile/review management. | |
| AI Meeting Assistant Discord Bot | <i>Discord API, Claude API, Supabase</i> |
| <ul style="list-style-type: none">Built an AI-powered Discord bot for meeting recording, note generation, summaries, and action-item extraction.Integrated Claude Skills and Routines with Supabase to automate meeting documentation and team workflows. | |
| Restaurant Mobile Application | <i>Flutter, Supabase</i> |
| <ul style="list-style-type: none">Built a cross-platform restaurant application featuring menu browsing, cart handling, and end-to-end order management.Integrated Supabase backend APIs for real-time data synchronization and a responsive user experience. | |
| Anonymous Messaging Platform | <i>MERN Stack, JWT, Tailwind CSS</i> |
| <ul style="list-style-type: none">Developed a secure anonymous feedback system with JWT authentication and an admin moderation dashboard. | |

EDUCATION

- | | |
|--|--|
| National Skills University
<i>BS Computer Science CGPA: 3.47</i> | Islamabad, Pakistan
<i>2022 – 2026 (Expected)</i> |
|--|--|

CERTIFICATIONS

- | | |
|---|------|
| High Impact Training Program: Data Science, Blockchain & AI NAVTTC
Python Data Structures Coursera
The Power of Object-Oriented Programming Coursera | 2026 |
|---|------|

TECHNICAL SKILLS

- Languages:** JavaScript, Python, Java, C++, SQL, Dart
Frontend: React, Next.js, Flutter, Tailwind CSS
Backend & Databases: Node.js, Express, Next.js API Routes, MongoDB, Supabase
AI & Machine Learning: RAG, Vector Embeddings, Semantic Search, LLM Integration
AI Tools & Automation: Claude Code, Claude API & Skills, GitHub Copilot, Make.com, Zapier
Tools & Platforms: Git, GitHub, Postman, Vercel, MongoDB Atlas
Concepts: REST APIs, Authentication (JWT/RBAC), Full Stack Development, Responsive UI

HOBBIES & EXTRA-CURRICULAR ACTIVITIES

- Hobbies:** Exploring AI tools & agentic workflows, open-source contribution, building side projects
Extra-Curricular Activities: Volunteered in kids' tarbiyyah programs, orphanage visits, and community welfare drives
